

Fate of the Authors Part III: The End?

Andrew: How long have we been frozen in carbonite waiting for Samuel L. Jackson to save us?

Ryan: I have no idea.

Suddenly, the authors are freed!

Andrew: About time. Hey, wait... who are you?

Andrew: I'm you.

Andrew: What?

Andrew: Specifically, I'm the Bizarro version of you.

Andrew: Huh?

Bizarro Andrew: I come from an alternate universe where everything is the opposite.

Ryan: Like the mirror universe in Star Trek?

Bizarro Andrew: No, that's the universe where everyone is evil. And has goatees. Haven't you people ever read Superman?

Andrew: No, but I do read Super Dickery.

Bizarro Ryan: I love that site!

Ryan: Wait, is that the Bizarro me?

Bizarro Andrew: Indeed.

Bizarro Ryan: "Knowing" was fantastic! It was almost as good as "You Don't Mess With the Zohan!"

Ryan: He's an idiot.

Bizarro Andrew: So it would seem.

Ryan: Anyway, we need your help. We've lost our author powers to Darth Binks, but you should be able to help us confront him.

Bizarro Andrew: Very well. I shall dispatch him!

Bizarro Andrew flies away.

Ryan: Wow. Who would've thought there's a universe where you have initiative?

Andrew: Shut up.

Meanwhile, somewhere completely different:

Darth Binks: Mesa gonna take over da entire uneeverse!

Bizarro Andrew: Halt, villain!

Darth Binks: Ha! Yousa tinken yousa can stop me? Yousa only hassa power of one author, but mesa has two!

Bizarro Andrew: Your logic is irrefutable. If only I had assistance...

Stormtrooper #1: Maybe we can help.

Stormtrooper #2: We're from the Evil Council of Doom universe, where we're deathly competent instead of endearingly inept.

Bizarro Andrew: Ah, the Council of Doom. I am currently in the process of writing the 95th award-winning chapter, which will be adapted into a feature-length film by LucasFilm.

Stormtrooper #1: Our version got shut down after the tenth part because it stopped making sense.

Bizarro Andrew: How are you here if your universe no longer exists?

Stormtrooper #2: Never mind that. Now let's kill Jar Jar!

The troopers and Bizarro Andrew charge toward Darth Binks, who tosses them aside with Force lightning.

Bizarro Andrew: How could you do this, Jar Jar? You're the most beloved character since the Ewoks, and the main reason the prequel trilogy is universally acclaimed as superior to the original!

Bizarro Ryan: That, and the great acting.

Bizarro Andrew: When did you get here?

Bizarro Ryan: Yellow!

The troopers tear Jar Jar to shreds with blaster fire. However, the Gungan refuses to die, and re-forms his body.

Stormtrooper #1: He's part Terminator now?

Darth Binks: Mesa power is unlimited, muy-muy!

Bizarro Andrew: We cannot defeat him through force – we must use the power of our minds to gain the advantage!

Andrew: Hey Jar Jar! What's the difference between you and a vacuum?

Darth Binks: What?

Andrew: Vacuums suck less!

Darth Binks: Mesas gonna kill yousa!

Ryan: Now!

The Bizarro authors replace Jar Jar's brain with a rubber pig.

Ryan: I feel my author powers returning. The rightful order has been restored!

Bizarro Andrew: I must return to my own universe now, or I might miss the season premiere of the twelfth season of Firefly.

The Bizarro authors vanish in a flash of light. However, Bizarro Andrew drops something as he disappears.

Ryan: What's that?

Andrew picks it up.

Andrew: It's a newspaper... "Karen Traviss banned from Star Wars forever"? Why can't I live in that universe!?

Ryan: You'd probably just ruin it.

Andrew: Yeah...

Ryan: You know, this whole ordeal has been nothing but a series of lousy in-jokes.

Andrew: Just like the post-New Jedi Order EU!

The authors leave, not noticing that the competent troopers have not been returned to the Evil Council of Doom universe.

Stormtrooper #1: Interesting...

DUN DUN DUUUUUUNNNN!!!
