

Super Smash Bros: Orchestrated Chaos Part 2: Jellyrolls

Ryan: The second match of the day is between the hero of Hyrule himself, Link, and...

Luigi: Weegee!

Ryan: ... Right.

Ryan looks around.

Ryan: OK... where'd Andrew go?

Under the stands, Andrew is giving money to an overcoat-wearing Yoshi.

Andrew: Put it all on Link!

Ganondorf walks by the penalty box.

Bowser: Get me outta here!

Ganondorf: Oh, you're still in there, Bowser?

Bowser: Yeah. Security won't let me out because they think I'll kill somebody.

Ganondorf: Are you sure you aren't stuck?

Bowser: What?

Ganondorf: Well, that box is small for your size...

Bowser: What are you saying? I could get out if I really wanted to!

Ganondorf: Prove it.

Bowser struggles, but can't move.

Ganondorf: I knew it! They were going to let you out, but you're stuck!

Bowser: Shut up! Just shut up! It's not my fault this thing is so small!

Ganondorf: This is priceless. Bowser, King of the Koopas, foiled by his own morbid obesity!

Bowser: IT'S ALL MUSCLE!

Ganondorf: Are you kidding? Just look at yourself! You've got jellyrolls. Jellyrolls, man!

Meanwhile, in the commentators' box...

Andrew: I'm back.

Ryan: Did you bring the doughnuts?

Andrew: Yeah, here they are.

Ryan: You... you didn't get any jelly ones.

Andrew: I hate those.

Ryan: Also, they look kind of old. These should be fresh.

Andrew: I don't see why you're so upset.

Ryan: I gave you money for these!

Andrew: Believe me, I put your cash to good use.

Luigi and Link enter the arena. The bell rings, signaling the beginning of the match.

Ryan: And it looks like Link is following the tried-and-true strategy of "throwing bombs everywhere."

Andrew: Where does he get all those bombs from?

Ryan: Well, you see, Link is-

Andrew: Never mind.

Link chases Luigi around the arena, indiscriminately tossing bombs.

Bowser: Is **that** how he keeps defeating you?

Ganondorf: Oh, and I suppose it's **so** difficult to keep someone from jumping on your head.

Bowser: You better watch your mouth, pig-boy!

Ganondorf: Ooh, the big, scary turtle is going to get me, even though he can't escape from a harmless box!

Bowser: THAT'S IT!

Bowser tries to roast Ganondorf with his fire breath.

Security guard #1: He's acting up again! Quick, tranquilize him!

Link throws Luigi, who lands on King Bulbin's war boar. Luigi becomes entangled in the reigns, accidentally steering the giant pig on a collision course with Link. Despite receiving a thorough trampling, Link manages to get back to his feet.

Suddenly, a bob-omb walks up to Link and explodes, ending the match.

Luigi: That's-a what they call irony!

Ryan: Luigi wins! What an amazing match!

Andrew: NOOOOO!

Ryan: What's your problem?

Andrew: I loved-ed you, money! I loved-ed you!

Ryan: OK... now, let's see who's in the next match... Captain Falcon and Bowser!

Andrew is under the stands again.

Andrew: Put it all on Bowser!
