

## **Smash Bros: Orchestrated Chaos Part 22: The Italian Bride**

Ryan: What... what just happened?

Andrew: I think Gannon wrote the previous part.

Ryan: Oh man... Not again!

Chad: Well, I thought it was pretty funny.

Ryan: You would.

Andrew: Hey! You don't talk to the Banana King like that!

Ryan: What?

Andrew: Chad is the Banana King.

Ryan: There's no point to this anymore, is there?

Andrew: Not really.

Ryan: Seriously, what's going on here? Why is the plot moving at roughly the speed of an amputee sloth coated in bacon grease going up a hill made out of pure tar?

Andrew: Mmm... bacon grease...

*Meanwhile, somewhere else, Bowser is sitting in a spacious restaurant booth. Mario approaches the King of the Koopas.*

Bowser: Ah, Mario! I'm so glad you accepted my invitation!

Mario: You had-a me dragged here by your guards!

Bowser: Yeah. So?

Kamek: What'll you be having?

Mario: I want-a some pasta.

Bowser: And I'll have the country-fried Pichu.

Mario: So that's-a what happened to the characters who didn't make it into-a Brawl.

*The waiter brings them a bottle of liquid with a picture of a poison mushroom on the side.*

Mario: This doesn't-a look very good.

*Bowser pours himself a drink.*

Bowser: Then you can order something else.

Mario: Hmm... I wa-

Bowser: And if you say you want pasta one more time, I swear I'm going to break you dead.

*Back in the announcers' box:*

Andrew [thinking]: What would the non-competent version of me be doing right now?

*Andrew turns on the TV.*

Andrew: Let's watch Fox!

Ryan: Is that Family Guy? That show's still on?

Chad: Can't we watch something less stupid? Like the Watching Paint Dry Channel?

Andrew: Shh! This show is funny, or so I've heard.

*Cue another episode of Seth MacFarlane bashing society over the head with his personal opinions, as well as a slew of poorly considered pop culture references nobody understands.*

Peter: Alice Ghostley!

Chris: It's funny because that's the name of a celebrity!

Lois: Carol Burnett!

Chris: That person also exists!

*Peter farts.*

Chris: Ha!

Stewie: I'm a baby that acts like a forty-year-old gay man! Isn't that *hilarious*?

Brian: And I represent Seth MacFarlane's personal and political opinions. So... I guess that makes him a furry.

Peter: Hey everybody, hold up. We haven't criticized religion in two minutes.

Brian: Christianity sucks!

Peter: Oh yeah, we're edgy, bashing a religion that people have been attacking since the Romans. We're really pushing the envelope here. And now that we've completely run out of material, here's five minutes of Conway Twitty.

Andrew: How the \*\*\*\* did MacFarlane manage to get two more shows? I mean, Fox cancels Firefly, Terminator, and Dollhouse, but gives Seth friggin' MacFarlane practically its entire Sunday evening lineup? Seriously?

Ryan: It's times like this I think that God is unspeakably malevolent.

God: You're the ones who watch this crap. What did I do?

*Mario stares at the cup in front of him, waiting for Bowser to take a drink first. When Bowser turns his back for a moment, Mario takes advantage of the situation to switch their cups.*

*Bowser turns back and Mario raises his cup. The two drink.*

Bowser: You guessed wrong.

Mario: You only-a think I guessed wrong! That's what's-a so funny! I switched glasses when your back was-a turned! Ha ha! You fool! You fell victim to one of the classic blunders - The most famous of which is-a "never get involved in a land war in Asia" - but only slightly less well-a-known is this: "Never go against a Sicilian when death is-a on the line"! Ha ha ha ha ha ha ha! Ha ha ha ha ha ha ha! Ha ha ha...

*Mario keels over, dead.*

Kamek: And to think, all that time it was your cup that was poisoned.

Bowser: Actually, they were both poisoned. It's just that my body is so massive that it's able to process the poison without being harmed.

Ganondorf: JELLYROLLS!

Bowser: How did you get in here?

*Meanwhile, at the Robot Tournament...*

*Yes, this storyline is still around, for some reason.*

Wily: No! Mecha Sonic's pwning everything without even trying! What are we supposed to do?

Light: There's only one thing we can do... make a deal with the devil.

Wily: Whoa. Seriously?

Light: No, but this will be pretty close.

Wily: Just tell me this isn't going to end on a cliffha-

*And now, the entire MegaMan X series summed up in less than fifty words.*

X: Waah! I don't wanna have to fight!

*Later:*

X: I've come to terms with having to fight in the name of peace.

*Two hundred years of continuous warfare later:*

X: Bull\*\*\*\*!

*Also, Zero is awesome.*
