

Super Smash Bros: Orchestrated Chaos Part 3: FALCON OVERUSED JOKE!

Ryan: The next match is between Captain Falcon and Bowser!

Andrew: Why is Bowser still in the penalty box?

Ryan: While the referees try to remove Bowser from the box, let's have a moment of silence for those who weren't able to make it to the tournament.

Andrew: Actually, everybody's here.

Ryan: What? What about Mewtwo?

Andrew: I'm not supposed to say, but... Lucario is actually Mewtwo in disguise.

Referees put Bowser, penalty box and all, in the ring.

Ryan: Looks like this is going to be an easy win for Captain Falcon.

Captain Falcon: YES!

Bowser: Hey, now, this is unfair!

The bell rings. Captain Falcon, who doesn't care about what Bowser considers unfair, starts punching his opponent in the face.

Ryan: And it looks like Captain Falcon has this match all but wrapped up.

Andrew: Could you use a clever metaphor to illustrate the point?

Ryan: This match is just like a good burrito.

Andrew: I said metaphor. **Metaphor!** Not simile!

Just to rub his inevitable victory in Bowser's face, Captain Falcon is repeatedly smacking his opponent with a Mr. Saturn.

Bowser: Just get this over with! I can't take any more humiliation!

A smash ball appears conveniently close to Bowser, who manages to crack it open with his teeth, triggering his transformation into Giga Bowser.

Bowser: You die now!

Captain Falcon: Can't we just get along, man?

Bowser: Well, I-

Captain Falcon: FALCON CHEAP SHOT!

Captain Falcon kicks Giga Bowser in the shin. Bowser retaliates by flicking him clear out of the stadium.

Andrew: That was unexpected.

Near the ring...

Security guard #1: Well, Bowser destroyed the penalty box. What are we going to do now?

Security guard #2: We could punish people by forcing them to spend time with Luigi.

Luigi: It's-a true, I'm-a not very fun to be around.

Security guard #1: That's to be expected when your final smash is called the "negative zone."

Luigi: It's not-a my fault I have-a cripplingly low self-esteem!

Between matches, Andrew and Ryan visit a concessions stand.

Andrew: And... a large soda.

Ryan: Large? But those things cost 1,000 coins! That's more than I make in a day!

Andrew: I, uh, came into some money recently.

Ryan: OK... how?

Andrew: Um... day-trading. I'm a stock market genius.

Ryan: Really, now.

Andrew: Yep. I, uh, bought all the stocks.

Ryan: All of them.

Andrew: Yes.

Ryan sighs.

Ryan: You did something stupid, didn't you?

Andrew: It's not stupid as long as I'm winning.

Captain Falcon grabs Andrew's soft drink.

Captain Falcon: FALCON SNATCH!

Andrew: Hey!

Captain Falcon: FALCON FLEE!

Andrew: Come back here!

Ryan: Anyway... do you know who's in the next match?

Andrew: I think Mr. Game and Watch is, but I can't think of the other guy.

Wario, who has been paying close attention to the conversation, walks away, quietly chuckling to himself.

Meanwhile, outside the stadium.

MegaMan: What happened?

Sonic: They kicked me out.

MegaMan: At least you got in. They completely stonewalled me.

Zero: Hey, Rock! Guess what!

MegaMan: What is it this time, Zero?

Zero: I saw a rock!

Sonic: Wait. Aren't you two from completely different time periods?

MegaMan: It's a crossover. It doesn't have to make sense.

Zero: Hey, Rock! Wanna know how many angels can dance on one of my head-fins?

MegaMan: Please kill me.
