Alema Rar: I'M CHARGIN' MAH LAZOR!

Jag: Boot to the head!

Alema explodes.

He does.

Luke's x-wing explodes.

Jacen: Oh cra-

Luke beats the tar out of Jacen, but refuses to kill him because ~~there are still three more books in the series and LucasArts wants to milk as much money out of the fans as possible~~ that would be wrong.

Luke: Don't worry, Ben, we'll get him when the time is right.

Ben: You mean after he's killed several billion more people?

Luke: Yes. Because that's the moral thing to do.
