

## **I Want to Be the One**

(with sincerest apologies to The Megas)

In the year 2008, I ran for President of the United States

Sarah Palin challenged me once and now, she has returned with a political campaign of her own

My name is Obama

Raised in Kenya

And Indonesia, too...

Thompson

Giuliani

Romney

McCain

Defeated

I want to be the one who fights for liberals

I want to be the one (I got to be the one)

And I want to be the one who fights against you, the GOP

I appointed Joe Biden

Though he's kind of dim

Just like Bush

Only worse

I will save all of you

This is Clinton Part 2

Paint the map blue

Change, hope, hope, change

I can't believe how much I've done

The election that I won

Yeah, it was fun

Would you like some gum?

Palin

The Alaskan cur

My teleprompter

Will defeat her

Yes we can!

Huckabee

Steele

Ron Paul

McCain

Defeated

I want to be the one who fights for liberals

I want to be the one (I got to be the one)

And I want to be the one who fights against you, the GOP

My name is Obama

And I'll do all I can

To tax your stuff
